HOW TO REMIX A SCRATCH PROJECT

1. Log into your own Scratch account.
2. Change the web address to **https://scratch.mit.edu/users/other-user-name**
 - *for example:* https://scratch.mit.edu/users/tacts

3. Click the **Shared Project** you want to remix.

4. Click the **See inside** button.

5. Click the **Remix** button.

continued on the back ...

6. At this point you will have a copy of the project in your own account. Select the **My Stuff** option from your personal menu to see the project.

7. You will then see the project, with “remix” added to its name, in your own list of projects. Click the **See inside** button to edit your copy of the project.
